Chairman's Letter

Welcome to the 16th annual Castle Point Anime Convention! It's crazy to think that I would ever be the convention chair to my first ever anime convention that I have ever been to in my life. I still vividly remember going to CPAC back in 2018 when I was still in high school, being intimidated by all things an anime convention had to offer. Who would've guessed that the college I would eventually commit to would be the one to be running all this?

Anyways, I am happy to introduce everyone to our musical guest this year: Shinnosuke! For any long-time attenders out there, he was our musical guest back in 2017 when we were still on our college campus. I'm personally happy that I can hear the Durarara!! OP2 live from the vocalist of one of my favorite J-bands. Alongside Shinnosuke, we have many high-acclaimed voice actresses for our featured guests this year, namely, Kayli Mills, Lizzie Freeman, and Caitlin Glass, so make sure you check them out!

As a self-proclaimed video game addict, I decided to put more effort into our gaming side of our convention this year. First, I would personally like to shout out Snow Phoenix and Origin of Play, our long-time partners who have carried our gaming area for consecutive years now. Second, I would like to introduce you to our new tournament organizers, FalconiaGG and Fuzzy Pixel! Both of these organizations run their own local tournaments outside of our convention so if you are interested, please make sure you visit their social media and stay tuned for any events they may be hosting!

On the topic of being thankful, I would like to formally thank our panelists, dealers, and artists... and our cosplay guests... and my very own staff who have made everything possible to make this convention run again. It's truly touching to me how there are so many people who are genuinely passionate about our fun little convention that we have run for almost two decades now.

If it wasn't clear already, we have a lot of things to do at our convention this year. Video games? Panels? Dance? The list goes on... and I want to make sure you, the attendee, will enjoy our convention, and keep coming back year after year, just like how I probably will until I inevitably am too weak to attend an anime convention. Are you unsure of what to try out this year? Well, feel free to ask me anything if you see me around the convention.

Before I close my letter, I just want to thank you for choosing our convention. We wouldn't be running if it weren't for your active interest in our silly event. On that topic, make sure you also thank Keith Cassidy as well for finding CPAC in the first place too.

Thank you for everything, and I hope you enjoy your stay at Castle Point Anime Convention 2024.

Sincerely,
Kanta Nakano

Convention Policies

Welcome to the Castle Point Anime Convention! Whether this is your first time with us or your sixteenth, there are some policies and guidelines we all must follow in order to keep the convention safe, sane, and fun. Staff of the Castle Point Anime Convention will be wearing an official staff shirt and will be wearing a clearly visible staff badge with their name and photo on it at all times.

The following policies must be followed by all attendees of the Castle Point Anime Convention, including staff, volunteers, dealers, artists, panelists, and guests. These rules may only be overridden by the Convention Chair at their discretion.

- 1. Safety:** Have a designated meet-up spot in the event that you get separated from your group. Try to pick somewhere easy to find, like the Info Desk.
- 2. Emergency:** If you are hurt or injured in any way, are being harassed or stalked, or do not feel safe for any reason, contact the nearest staff member. In case of an emergency, call the police first, then find a staff member.
- 3. Disruptive Behavior:** No smoking is permitted inside the convention center; this includes, but is not limited to, e-cigarettes, vape pens, and Juuls. Smoking is permitted outside, however we ask that you be mindful of others. Loud music blasted through electronic devices such as, but not limited to, portable speakers will not be tolerated. Attendees that fail to follow the instruction of convention staff or security may be removed from the convention.
- 4. Cosplay:** We are a family-friendly event. Do not wear clothing that may be considered lewd or inappropriate in a public setting. All attendees must have their private areas covered at all times. Body paint is not an acceptable substitute for clothing.
- 5. Photography:** Many attendees participate by cosplaying as familiar characters. While many enjoy having their picture taken, always ask permission first. Cosplay is NOT consent! This also includes guests and panelists. The use of cameras or video cameras may be restricted or prohibited at some events, including all video programming rooms, and some main events.

What if I'm uncomfortable or harassed?

We are committed to promoting an environment in which all attendees can feel safe. If you are harassed or see any harassment that you feel comfortable to report, please report it to any event staff member who can bring the issue to the attention of our security team.

What if I have a question?

If you have a question, don't be shy! Just make your way to the Info Desks and ask away. There are two Info Desks—one at Harmony Suites and one at the MEC. If at anytime you need directions to the Info Desk, ask a staff member.

What if I lose something?

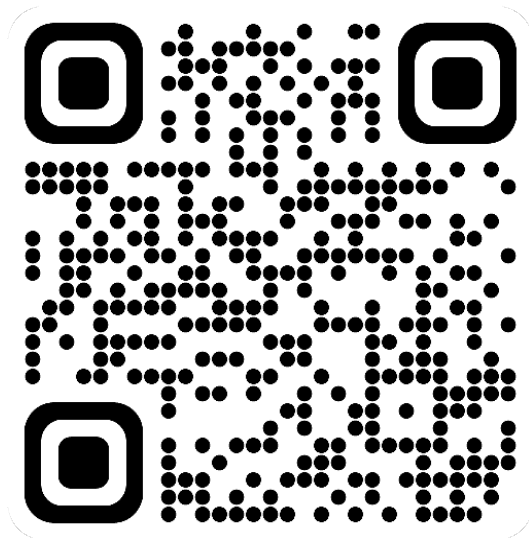

In the event that you lose an item, go to the Info Desk and ask if anyone has returned the item in question. If you lose your badge, you must purchase a new one.

Solicitation

Attempting to conduct any commercial transactions without our prior written consent is prohibited.

Solicitation of any kind by general attendees is not permitted. This includes, but is not limited to, any distribution of advertising or promotional material, or any verbal promotion.

For more detail on our policies, please scan the QR code below or visit <https://www.castlepointanime.com/info/policies/>
